100 Lvl Blue Zerk Mission (EU) Illustration

## 100 lvi Blue Zerk EUROPE - Baronet Rütbesi

With 100 LVL, you can print a yellow Baronet next to your nick.

These are the tasks you need to do for it.

### Task 1 Military Test 2 (Europe)

Task NPC: General Ratchel

We go to Constantinople and take the **Military Test 2** mission from General Ratchel .

After we receive the quest, we click on the same NPC dame again and we choose **Enter the Test Arena** . This mission will beam us to an arena.

What we need to do in the arena where we are irradiated is to be able to survive for 10 minutes in the arena, interrupting Military Chieftain. You can see the remaining minutes in the Quest List, which opens from the "Q" key.

The mission is beaming us back when the end is over. We talk again with General Ratchel and finish the mission.

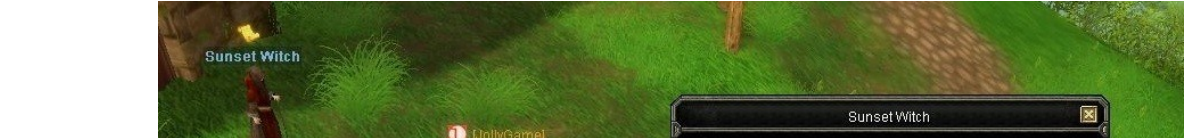

**Task 2 New Challenge (Europe)**

**Task NPC:** General Ratchel

We are taking the New Challenge task from General Ratchel in this step.

Our **schedule** is not talking to **Sunset Witch**. We are talking to Sunset Witch and delivering the mission.

### 3. Task Branch Of Life (Europe)

Task NPC: Sunset Witch

Sunset We are taking the task of Witch den Branch of life.

Our schedule is done in 2 steps.

In our first step, ROC is to obtain the Energy of Mountain by cutting the Goat and Shaur in Mountain .

When you shoot Goat Yada Shaur, the mission will fall as a blue bag. It is enough to get 1 Energy of Mountain .

I am Sorry

In our second step , we go to the **Yeoh** who are also in **Jangan** .

What we need to do here is to get the Energy of Mountain item, selecting any Yeoh and using the right mouse button to get the Branch of life. You only need to do this once. (You do not have to cut Mob)

After completing our schedule, we are talking to Sunset Witch and submitting the Branch Of Life mission.

Our schedule consists of 2 steps, similar to the previous one.

Our first step is to get **Shining Crystal** by cutting **Ishade** and **Hashadee** around the **Karakoram**.

When Ishade Yada Hashade is cut, the task will be reduced to a blue bag.

Approximately 50 **Shining Crystal** sets will suffice.

Our second step is to get **Relic of Sun God** using the **Shining Crystals** we are collecting. To do this we go to Cleopatra's Gate area in Samarkand

We come to the area where X-6935 Y 1746 coordinates are approximately, and click on the Crystals with the right button of each individual character. We use Crystals until we get Relic of Sun God.

If the Crystals we collect are not enough and you can not get Relic of Sun God, you need to collect Crystal from Ishade and Hashade again.

When we get Relic of Sun God item, we will complete our task and return to Sunset Witch.

Finally, we return to Sunset Witch and we deliver the mission.

## 5. Quest Spirit of UnderWorld (Europe)

**Quest NPC:** Sunset Witch

Please fill in your Zc before you begin this quest. During the mission, it is necessary. Speaking with

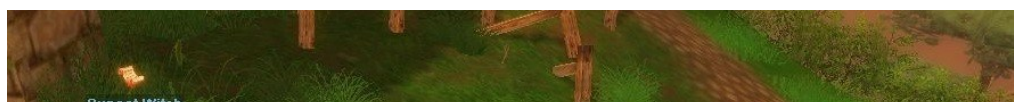

Sunset Witch ,we are taking on the mission of Spirit of UnderWorld . After picking up the task, we againchoose the same task by talking to Sunset Witch and choosing Begin the ritual .

If you interrupt without pressure, your task will not be complete. After the Underworld Spirit finishes, we are beamed back to Sunset Witch.

After we finish the Underworld Spirit, we are beamed back to Sunset Witch and we finish by delivering the Spirit of UnderWorld mission.

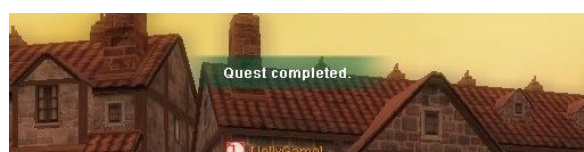

#### Task Another Increment (Europe)
